

# Technical Sheet Service

Save tens of thousands of dollars, thousands of hours  
with a single software!

You don't have to spend  
hundreds of hours and tens  
of thousands of dollars to  
create your catalogs!

→ With our "software-assisted technical sheet preparation" service, we can quickly and cost-effectively produce technical sheets that you will include in your catalogs.

→ After the production, we can transfer the software that has been specially optimized for you and whose outputs will be tested and approved by you.

# Features of the Software

- User-friendly interface design and easy use.
- Production of leaflets / documents as PDF files.
- Batch processing capability and fast processing.
- Selection of output quality such as high print quality or low size internet quality.
- Transfer of images and PDF files without corruption.
- Leaflet and document templates.
- Adding a template with Word.
- Loading of file and settings files for professional templates.

# Features Of The Software

## ADDING DEKUPE, TECHNICAL DRAWING, LOGO AND PICTURES

- Automatic placement from source files on the leaflet according to the specified naming formula.
- Transfer by automatic cutting with location selection on the source to be added.
- Automatic cutting and positioning with artificial intelligence on technical drawings.

## INTEGRATION CAPABILITIES

- Bulk data upload and export with Excel.
- Possibility of integration with different external systems (PIM, PLM, ERP, E-COMMERCE ETC.) with its API.

## ADDITIONAL FEATURES

- To be able to create a basic level product information management system (product data model and feature structure).
- Ability to generate QR and custom links.
- Ability to formulate parametric data (custom code generation, date printing, naming, version and revision number).

# Technical Sheet Images

Sample technical sheet images that we produced with software support.

11111111160

Ürün Adı / Product Name

Seri : 11111111160

Ürün Tanımı : LAVABO BATARYASI [3 DELİKLİ

Kod : 11111111160

Kullanım Şekli : Lavabo üstü / 3 Delikli Lavabolar için

Tasarım : 3 kg

Ağırlık : 2 Yıl

Debi Sınıfı : 5,0 L/dakika

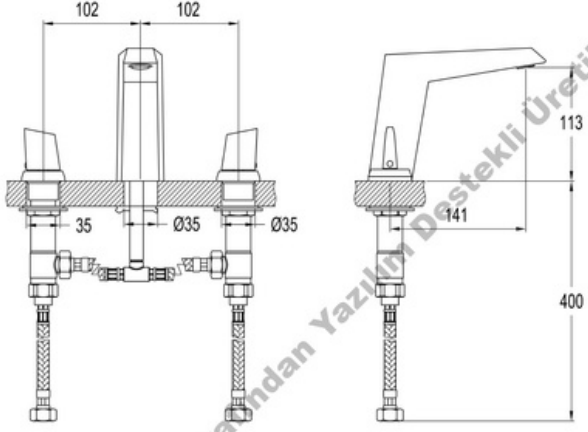

Renk : Krom

Konfor Uzunluğu : 141 mm

Konfor Yükseklik : 113 mm

90° dönlüğü seramik diskli kumanda  
%60 Su Tasarrufu  
±7 Oynar Akış Düzenleyici  
Seramik Salmastra

Üretici Firma haberi vormektedir, ürünler ve teknik detaylarında değişiklik yapma hakkını saklı tutar.

11111111133

Ürün Adı / Product Name

Seri : 11111111133

Ürün Tanımı : 60X40 OVAL ÇANAK LAVABO

Kod : 11111111133

Kullanım Şekli : Tezgah Üzeri

Ölçüler : 60x40 cm

Tasarım : 14,6 kg

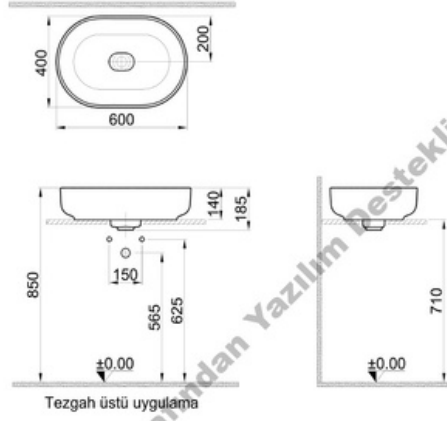

Ağırlık : 10 Yıl

Armatür : Armatür Deliksiz

Taşma Deliği : Taşma deliksiz

Renk : Siyah

Üretici Firma haberi vormektedir, ürünler ve teknik detaylarında değişiklik yapma hakkını saklı tutar.

1302022 00

11111111154

Ürün Adı / Product Name

Seri : 11111111154

Ürün Tanımı : SMART AKLZ TAHARET MUSLUĞU

Kod : 11111111154

Kullanım Şekli : Asma Klozet / Gizli ve kolay montaj (SmartMontaj)

Ölçüler : 56x36 cm

Tasarım : 28,2 kg

Ağırlık : 10 Yıl

Yıkama Tipi : Taharet borusu girişi universal uygulamalı Taharet musluğu entegreli (Sıcak / soğuk) Kanalsız, Jet yıkamalı (SmartYıkama)

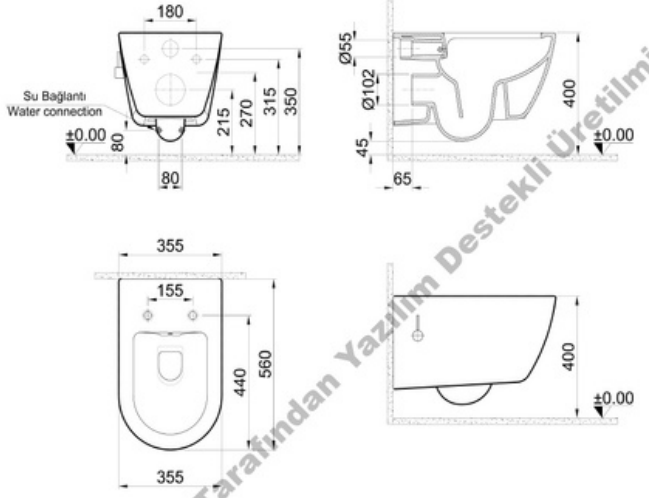

Ürün Çıkışı : Arkadan Çıkışlı

Uyumlu Rezorvuvar : Gömme rezorvuvar

Uyumlu Kapak : 310200700043

Yıkama Lt. : 2,5/4 lt

Üretici Firma haberi vormektedir, ürünler ve teknik detaylarında değişiklik yapma hakkını saklı tutar.
